

What's Happening at ELE

Parents/Guardians,

Starting this week and continuing every other week, I will be sending out a "What's Happening at ELE" through our communication system. I will always include important upcoming dates, and information about what is happening at Ellison. Please know that you will still receive a monthly calendar. Have a wonderful long weekend with family and friends!

Sincerely, Michelle Relova

Friday May 3rd

- Grade 5's at Gardom Lake
- Bulldog Baseball with Mr. B after school

NOTE: We have quite a large collection of lost and found items at the front entrance of our school. Please stop by and look to see if any of these items belong to your child! We will be bagging and donating what is leftover near the end of next week.

DRESSING for the WEATHER

As our weather warms up and we have the privilege of seeing the sun more, this is just a quick reminder to ensure that your student is dressed appropriately for the weather and school. Like previous years, we are reminding our families that students are not to come to school in beach attire. This includes no flip-flops as students can injure their feet while running and playing on the playground/field.

Thank you for your support!

REMINDER:

April 29th is **MAKERSPACE ADVENTURE DAY!** Please send us your clean recycling so we have plenty of items for the students at Ellison to build their games. Kleenex boxes, clean plastic containers, toilet paper rolls, popsicle sticks, tin foil, rubber bands, and tape are just a few items on our wish list!

PARENT REQUESTS for CLASS PLACEMENTS:

In the very near future, we will begin the process of creating new class groups for this upcoming September. Our staff puts a great deal of time and consideration into this activity. **I will be accepting written parent requests into my office until Thursday, May 23rd.** All parent requests will be accepted as input, and must include the educational reasons for the specific placement. Our goal is to create the best possible classroom conditions for each student in our building. Please contact me if you have any questions/concerns.

SAVE THE DATE!

This year to honour all of the Special People in our ELE student's lives, we will be celebrating Special Persons Day. More information will be coming home in the upcoming weeks!

MAY 15th, 2019 @ 1:15 – 2:30pm

Please save the date in your calendar.
